

MADE IN JAPAN

□ Hiroki Ito è Campione Mondiale F3C per la quarta volta. Hashimoto è 2°, Nonogaky 3° e Sawamura 4°. Il Team giapponese si è quindi piazzato al primo posto, seguito dall'Italia al 2° e dagli Stati Uniti al 3°. Questa è stata anche la prima volta in cui è stato proclamato un Campione mondiale Junior. Si tratta del coreano Choi Won Ho, seguito da Lorenzo Sardelli e dal finlandese Juho Eikkil'a. Il 14° Campionato mondiale F3C è finito. E' stato caldissimo in tutti i sensi, ma è stato anche un successo. Come organizzatori siamo due volte felici: tutto ha funzionato alla perfezione e la squadra italiana ha ottenuto il miglior risultato di tutti i tempi. Grazie per aver partecipato. Ci mancherete.

□ Hiroki Ito is the F3C World Champion for the fourth time. Hashimoto is 2nd, Nonogaky 3rd and Sawamura 4th. Team Japan placed at the first place, followed by Team Italy 2nd and Team USA 3rd. This was also the very first time to celebrate a Junior World Champion. The winner was the South Korean Choi Won Ho who also entered the fly off placing at the 10th place. 2nd junior was the italian Lorenzo Sardelli and 3rd the finnish Juho Eikkil'a. The 14th F3C World Championship is over. It was really hot, both in temperature and competition, but was also a success. As organizers we are twice happy: everything worked almost perfectly and the italian competitors obtained the best results we could have expected.

Thank you very much for participation. We will miss you.
